MEDIA AND ENTERTAINMENT
CREATIVE APTITUDE TEST

Why

Media & Entertainment Creative Aptitude Test?

Apart from being one of the most accepted scores by MESIC affiliated training institutions for admission to their programmes, students looking to pursue career in the Media and Entertainment Sector will be able to self-access and understand their strength areas. This shall help the candidate decide the best for the candidate whether in terms of program or the institute thus enabling better opportunities. Apart from this, there has been a growing trend of institutes across India making several false commitments to students, MESIC ensures that you are at the best and recognized training facilities in the country which offers most updated courses taught by certified trainers and backed by strong industry connects. Helping you make your dream career much simpler and easier.

This national level test is a life changing opportunity for each skill enthusiast with a bunch of benefits:

- **Certification & Recognition:** Once a student has attained MECAT scholarship, they will be promoted with the certification and recognition by Media & Entertainment Skills Council.
- **Supports Skill-based education:** MECAT supports skill based education and encourages students who wish to build a career in particular skillset.
- **Career Advantage:** Earning the MECAT scholarship is prestigious. Since you get a scholarship on merit, getting one will leave a good impact on your future employers. Some competitive scholarships are so good that you can list them on your resume under accomplishments. Stand out from the rest during job search.
- **Access to best Institution:** Another benefit of MECAT scholarship is that students will be able to access the very best education. With the incredible skills, they would be able to gain access to the best training institutions in the country as they would be happy to have brilliant students in their enrolment list.
