## Empowering School Education

www.mescindia.org

Media & Entertainment Skills Council (MESC) will support the schools for integrating new age media skills into the curriculum, in-line with the NEP-2020 introduced by the Government of India.

MESC will hand hold and consult the school academic committee on the implementation on recent changes introduced by Government of India in the new education policy. Right from designing the skill-based curriculum to the holistic development of the students to preparing students for participating in junior skills competition we will work 360 degrees skill development of the students.

### THE PROGRAM IS DIVIDED INTO 3 LEVELS:

#### LEVEL 1

##### HOLISTIC DEVELOPMENT

Building the creativity and innovation ability of the students will be the key focus of level 1, where we will focus on imparting students with Basic skills.

#### LEVEL 2

##### IN-PERSON TEACHING

At this level 2, we will organize 1 physical class every month with our expert faculty (In-person teaching) of various skills.

#### LEVEL 3

##### CAREER GUIDANCE

At this level the students who would like to adopt one of the skill as a career opportunity will be identified and an individual specific career guidance plan will be crafted for them. Again the students who would want any guidance will be guided with our expert faculty and students can also opt for a full time course at our institute for enhancing their skills and securing placement.
