Definitions

Keywords /Terms	Description
Attitude poses	Attitude poses are used to describe the body language and personality of the characters
Budget	Budget is an estimate of the total cost of production that may include a break-up of cost components
Character line-up	Character line-up is the portrayal of characters side-by-side
Character turnarounds	Character turnarounds are used to depict the characters look from all angles
Clean-up	Refining the interim/rough animation
Color keys	Color keys are used to depict the mood of the production through hues and tones
Color theory	Color theory is the art of combining all the colors in the color wheel to create specific color combinations
Core Skills/Generic Skills	Core Skills or Generic Skills are a group of skills that are key to learning and working in today's world. These skills are typically needed in any work environment. In the context of the OS, these include communication related skills that are applicable to most job roles.
Creative Brief	Creative brief is a document that captures the key questions that serve as a guide for the production including the vision, objective of the project, target audience, timelines, budgets, milestones, stakeholders etc.
Description	Description gives a short summary of the unit content. This would be helpful to anyone searching on a database to verify that this is the appropriate OS they are looking for.
Function	Function is an activity necessary for achieving the key purpose of the sector, occupation, or area of work, which can be carried out by a person or a group of persons. Functions are identified through functional analysis and form the basis of OS.
Job role	Job role defines a unique set of functions that together form a unique employment opportunity in an organization.
Knowledge and Understanding	Knowledge and Understanding are statements which together specify the technical, generic, professional and organizational specific knowledge that an individual needs in order to perform to the required standard.
Lighting keys	Lighting keys are used to depict the mood of the production through intensity, time and shadows
Mouth chart	Mouth chart is used to portray the emotions and expressions of the characters
National Occupational Standards (NOS)	NOS are Occupational Standards which apply uniquely in the Indian context.
Occupation	Occupation is a set of job roles, which perform similar/related set of functions in an industry

Acronyms

Occupational Standards (OS)	OS specify the standards of performance an individual must achieve when carrying out a function in the workplace, together with the knowledge and understanding they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts.
