Is CSR

☐ Yes ☒ No

1. As per PMKVY 2.0 guidelines, Center Accreditation and Affiliation(CAAF) is mandatory and TC has successfully completed all requirements under CAAF process for the job role for which this batch is being created.

2. As per the section-5.2 of Operations Manual for States Component, "The states are only allowed to run PMKVY CSSM as well as state government sponsored skill training schemes parallally in the same centers only if this center are either state government run (for eg.livelihood colleges in Chhattisgarh) or central government run (for eg. CIPET). In this case, the training center would have to maintain strict adherence to the PMKVY branding guidelines. One center is not allowed to run PMKVY CSSM and PMKVY CSSM component in the same center in parallel. Hence, the clause indicates that training center has to be exclusive CSSM center."

3. Violation of above undertaking and PMKVY 2.0 guidelines, amended from time to time, and other state/MSSDS & central Govt. notifications/circulars may invite suitable penalty, as deemed fit by MSSDS including cancellation of this batch.
